## Another opportunity to visit Jacksons Farm, Worsthorpe, east of Burnley

Saturday 20 July 2013

Another chance for those YVBSG members who were unable to be with us on the visit to this grade II\* listed farmhouse last July, by joining the Calder Valley Historic Buildings Group for a further visit.

The main range is dated 1627, with a crosswing of c.1600. At the west end is a narrow end through-passage with jettied porch, a plan peculiar, in Lancashire, to the Burnley and Colne areas. Features of interest inside include a timber-framed partition wall, a small area of decorative plasterwork (1627), and a stone corbelled 'cap' at the west gable apex for the former firehood. We forgot the barn last time! This part costs £5 including drinks/biscuits.

The full-day visit includes a Worsthorpe walkabout, and an external viewing of Extwistle Hall, also grade II\* (1 mile north) around 10.45am. This is a north-facing former gentry house, with a small courtyard, dating from the mid-sixteenth and seventeenth centuries, and now 'at risk' having been unoccupied for many years. The site is fenced off, but we can still view it from close-up.

This group always has lunch and this will be at the late eighteenth century Ram Inn, Cliviger, a long picturesque range. From here we will be able to

walk to The Holme, an early seventeenth century 'gentry' house with crosswings (grade II\*). This house was badly damaged in a mysterious arson attack in 2003, and has recently been bought at an auction.

Meet at 10.30am in Worsthorpe village centre. If you want to come please telephone Kevin Illingworth on 01422 844941, leaving your telephone number and stating whether you want lunch.

Photos of last year's visit to Jacksons Farm are available on the Members' Area of the YVBSG website and on the group's Facebook page, or see Newsheets 68 and 69 for more information.

## Recent YVBSG events

### Owt Fresh? Advances in our understanding of Yorkshire's Vernacular Buildings

We thank David Cant for organising a very successful and enjoyable day school in Leeds on 16 March 2013. Around ninety people attended and learned that we do indeed have much knowledge and understanding that is fresh! At the AGM following the day school, Maggy Simms was elected as a new committee member; we welcome Maggy and hope she enjoys her new role. The officers and the rest of the committee were re-elected *en bloc*. The AGM minutes are now available on the Members' Area of the website.

### Further Drawing Techniques

Our thanks go to Allan Adams and Tony Berry for leading a helpful and informative workshop on drawing techniques in York on 4 May 2013. Allan and Tony passed on many useful tips on materials and equipment, measuring, and drafting and finishing drawings. Some notes will appear on the Members' Area of the website shortly, together with a list of suppliers which offer drawing materials for sale online.

### Annual Recording Conference

The recent conference held in the Spen Valley on the weekend of 17 to 19 May 2013 was another successful and well-attended event and we are grateful to Gill Cookson and David Cant for their excellent organisation and prior research. Nearly forty people attended, several of whom had no prior experience of recording. Five large and spectacular buildings were surveyed and we will report on these at the Conference Review Day in October. We also thank Chris and Hazel Wooller for opening their wonderful home, Low Fold Hall, to us on Sunday afternoon.
